Dear Mr. Jennings:

The audit section of the School and Institutional Trust Lands Administration ("Trust") has begun a review of your lease ML 18847. In order for us to complete our review, we will need to review all production records and sales contracts you have covering the mining that has taken place on this lease from April, 1988 through March, 1995.

We would like to schedule a time to review these documents with you at your office or have you submit the records directly to our office for our initial review. Please contact me at 1-801-538-5508 to let me know which would be more convenient for you.

We appreciate your cooperation with us in this matter.

Sincerely,

Lisa Y. Schneider
Royalty Auditor
